

Childcare Payment Dates

Academic Session 2024-25

Childcare funding is only payable for weeks where the college is open. See the notes section below for payments where there are holiday weeks.

All payments are made 2 weeks in arrears. This is to allow students to ensure they have covered any absences and have time to contact their teaching departments regarding any engagement issues.

All payments are subject to the condition that for the payment period, the student has been engaging with their studies and have met the attendance and conduct standards.

Please be aware that the dates for which you have been awarded childcare may fall within the payment schedule detailed below.
